No. 10. "Sinister Shadows"

Paul commandeers a heavy truck and drives it through the wall of Dick's flooded prison, enabling the water to flow out, and releasing Arline and Dick. Later, the Weasel's gang overpowers Paul and binds him, while their leader tries to dispose of the Graham pearls. Unable to do so, he phones Arline she may have them if she will pay the \$10,000. reward.

Mimi sees the Weasel and, suspecting he is trying to double cross her and his other confederates, phones De Briac, who arrives with his gang just as the Weasel is handing over the gems and pocketing the reward. Paul, who has managed to escape, arrives, and a free-for-all fight ensues. Arline snatches her gems and the reward, when she is hit by a stray bullet and falls to the floor.
